

As a subsidiary of BPW spol. s r.o., E.M.T. strengthens the existing spare parts network of the BPW Group.

Sep 04, 2025 15:00 CEST

## BPW Group expands its spare parts business in central Europe

- **E.M.T. spol. new member of the BPW Group**
- **Expansion of spare parts business in the Czech Republic and Slovakia**
- **Focus on the fast and reliable supply of spare parts**

**E.M.T. spol. s r.o., one of the leading distributors of spare parts for commercial vehicles in the Czech Republic and Slovakia, is now a new member of the BPW Group. As a subsidiary of BPW spol. s r.o., E.M.T.**

**strengthens the existing spare parts network of the BPW Group, which is growing to a total of 13 branches in both countries.**

Wiehl, 05.09.2025 --- On 15 August 2025, the BPW Group acquired 100 percent of the shares in E.M.T. spol. s r.o., headquartered in Říčany (Czech Republic). With this acquisition, the BPW Group once again emphasises its international mobility partnership, which provides optimum support to transport companies in their business and throughout the entire vehicle lifecycle.

E.M.T. spol. s r.o. is an expert in spare parts and accessories for trucks, trailers, semi-trailers, buses, and light commercial vehicles, with six branches in the Czech Republic and two branches in Slovakia. The product range includes all components from leading manufacturers necessary for the successful maintenance and repair of the vehicles.

"E.M.T. spol. s r.o. has extensive expertise and more than 30 years of experience in the spare parts trade. By combining the expertise and competence of our subsidiary BPW spol. in original equipment and aftermarket businesses with the strength and presence of E.M.T. spol., we are expanding our ability to comprehensively support and advise customers throughout the entire lifecycle of their vehicles," said Tobias Wiedeking, personally liable managing partner of BPW.

"The BPW Group is the ideal partner for E.M.T. spol. With our eight branches and 55 employees, we are driving the international mobility partnership forward together with the BPW Group's subsidiaries. The strong spare parts network of the BPW Group offers us the best prospects for long-term success," said Managing Director Radek Čermák.

The commercial vehicle spare parts trading network of the BPW Aftermarket Group Deutschland GmbH, ensures the reliable and fast supply of spare parts for trucks and trailers throughout Europe. More than 120 branches operating in 18 countries ensure a comprehensive service. The product portfolio includes original spare parts from all relevant commercial vehicle

manufacturers as well as current value orientated solutions for the repair of older vehicles. With its spare parts network, the BPW Group acts as an international mobility partner, supporting vehicle operators and commercial vehicle workshops to repair and maintain all vehicles quickly, safely, efficiently and at the same time in keeping with their time value.
